## NOTES (FOR COMPLETION OF SSI 79)

Under section 11(2) of the Act, we may dispense with intimation or notification to an adult under the Act, if it is considered that this would be likely pose a serious risk to their health. Under section 7(1)(d) of the Act, the Scottish Ministers prescribe the evidence which we shall take into account when deciding under section 11(2) whether to dispense with intimation or notification.

This certificate (SSI 79) should be used to provide such evidence when it is necessary. It should be attached to the certificate of capacity (SSI 51) and accompany an application made under section 26 of the Act for authority to intromit with funds.

The Adults with Incapacity (Evidence in Relation to Dispensing with Intimation or Notification) (Scotland) Regulations 2001 prescribe that intimation or notification may be dispensed with on production of certificates from two medical practitioners that such intimation or notification would pose a serious risk to their health. The regulations also prescribe that:

- The two medical practitioners **must** be independent of each other
- In any case where the incapacity of the adult is by reason of mental disorder, one of the two medical practitioners **must** be a medical practitioner approved for the purposes of Section 22 of the Mental Health (Care and Treatment)(Scotland) Act 2003 as having special experience in the diagnosis or treatment of mental disorder.

# BOTH SECTIONS OF THIS CERTIFICATE (SSI 79) MUST BE COMPLETED AND THE TWO DOCTORS SIGNING MUST FULFIL THE REQUIREMENTS ABOVE.
